Instructions: Student copies assignments from the board in class, completing columns 1, 2 and 3. Student records the time it takes to complete the work the FIRST TIME THROUGH (4). After completion, the parent (or at the parent's discretion, the student) should correct the assignment and record the # of problems that are RIGHT (5). After seeing answers, student should attempt to re-do any problems missed, and record the # they CAN correct (6). If you can't fix it, call Mrs. French or ask ?? in class! Parents initial means HOMEWORK DONE, per these instructions!!
