Heart to Heart ♥

Fathers Make a Difference

Should you home school your children or not? That is the big question for today. More and more parents are buying into this concept. One of the most compelling examples for us today is Tim Tebow. He is a quarterback for the Denver Broncos and has done an impressive job on the field in Pro Football. His parents were missionaries in the Philippines and owned a farm. Tim said he is "farmer strong." His Dad decided to home school. His Mom pursued it with dedication even though she had her doubts. I am not done with the book but please read this incredible account of a home school family dedicated to God with Dad as leader, encourager and equipper of his children. If a Dad takes a passive stance letting Mom carry the burden, the home school will lack conviction and strength.

The book is "Through My Eyes" by Tim Tebow. He and his brothers were dyslexic. His Mom constantly encouraged him about his strengths and how intelligent and capable he was even though he was still struggling with reading at age 7. Tim eventually figured out how to read and do many things on his own through the dedication of his mom teaching him. His Dad's life was not only dedicated to being a missionary, but to training all 3 sons to know the Lord and to be great in sports. He wouldn't let other coaches go too far with using their abilities, but put strong boundaries on what they could participate in and when.

Tebow's Dad was protector and provider for his family. He knew his sons and had a keen eye for what they needed. His Dad said, "Faith is like a muscle. You trust God for the small things and when He comes through, your muscle grows." Tim's Dad was a true mentor to his sons. This is the power of home school at its best.

I talk to families all the time who think their children are lacking something and that someone else can do the job better than Mom and Dad. I am here to tell you Mom and Dad are called by God to see what their kids need and to make it happen. We all have bought into the mind set that some professional knows better. So we just should turn our children over to someone else to train and equip. But we as parents have the love, devotion, wisdom, motivation and ability to do the job. The Tebow family is an example we should look at and pray for. Their Mom even started a home school organization that many families joined that provided activities like we have today at WCS PSP. So Moms please don't give in to the easy road of turning your children over to someone else to train. Your child needs to be listening to you talk and teach. Also don't forget you are called and inspired by the Lord God almighty to teach your children the way they should go.

Duet. 6: 4-9 "Hear O Israel: The Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of you houses and on your gates."

The best way we can fulfill our mandate from God is to teach our children at home with the support of our church community.

Parent meeting

January 16, 7 pm at Donna Burns' home, 14148 Ironbark, Chino 91710. RSVP to allforhim777@gmail.com 909-597-5993 or marilynna5@aol.com 626-332-9981.

Amy Miller who teaches science and public speaking for WC PSP will be talking about the Sonlight curriculum. Come to be encouraged, blessed and strengthened. Bring a goodie to share. Looking forward to seeing you.

Registration Fees

Tuition	\$520/year or \$52/month due on the 1st of each month payable to Western Christian Schools
Registration Fee	\$30 payable to Western Christian Schools
Program Fee	\$45 payable to Center for Creative Learning (CCL)

January Events

January 1 -	TUITION DUE
January 11 -	PARK DAY
January 16 -	PARENT MEETING
January 19 -	COLUMBIA MEMORIAL SPACE CENTER
January 25 -	PARK DAY
January 26 -	FLY THROUGH HISTORY
January 30 -	AMY'S FARM

American Heritage Girls Troop 3130

A Christian Scouting Program for K - 12 girls

We are a Christian scouting group whose focus is to Love God, Cherish our Family, Honor our Country and Serve in our Community. We meet from 11:30 am—1 pm before each Park Day at Marchant Park (2nd and 4th Wednesdays).

Coming Events:

If you have any questions, you can reach me, Julie Waters, at (909) 923-2525 or juliewaters1@yahoo.com.

Contenders For the Faith

Contenders For the Faith is a boys group for grades K-8th grade. The group is designed to help the boys learn new skills, grow toward being a righteous man, make friends, and have fun!

We are studying a variety of subjects depending on the age group. We have many fun Father/Son outings for the boys to have time to bond with their dads as well as with each other and family outings during the year.

We are a parent lead group! We are looking for a few moms, dads or high schoolers (for service credits) to join us to help run the program. Positions like group leaders are vitally needed right now as well as child care and event coordinator. Space is limited in the group and all parents are asked to help in some way.

For parents involved in leading Contenders we do offer and Pre-K Little Contenders / Keepers group for boys and girls.

Cost: \$50.00 supply fee **PLUS** the cost of materials which will vary depending on the age of your child.

Contact Christina Toland for registration form and more information: CJsBelle@aol.com

A Word to Fathers ~

By Bill Stephens

The Upside-Down Home

A book called the Upside-Down Kingdom by Donald Kraybill shows the contrast between what society values and what the Kingdom of God values. There is another great book called the Upside-Down Church which is similar written by Greg Laurie. Taking liberties with that theme, I would like to reflect on the Upside-Down Home. After all, the home is the breeding ground for the future values of society. It all starts in the home.

Since I graduated from college, what was radical then is the norm today. The cutting edge of radicalism is what your children are being taught in grade school, high school and college. Radical feminism is now what your high-priced-tuition-college-payments are teaching your children.

Since we have gone through such a paradigm shift in American society, what I am going to suggest as the “upside-down” home might seem rather “right-side up”. But, if you watch what young people are watching on T.V and, what they are learning in public schools you will see that the world is upside down. Are you getting dizzy?

Here is what I think makes the Christian home Upside-Down compared to American culture.

1. **We promote strong husbands and fathers.** Where in American popular culture do you see strong husbands or fathers represented? Nowhere. Fortunately, the Christian man does not need to look at society for a role model. The Christian man has the perfect Man to follow—Jesus. He was a servant-leader; he was the shepherd that laid his life down for his sheep. He was the leader that preached the first shall be last, the greatest among you will be the least among you. And, ultimately, He was the One who gave us the example of laying down our lives for others.

2. **We promote strong sex roles.** George Gilder wrote a great book twenty years ago that predicted the sexual confusion that exists today. In his book called Men and Marriage he explains that the role of men has to be defined by society. The Judeo-Christian culture has done the best at defining the responsibilities of manhood. Women’s role, because of child bearing, is more fixed. Women are the ones who stabilize a society. If you question this theory, look at those countries that have not been influenced by the Bible.

3. **We promote contented motherhood.** The church is the only institution that promotes motherhood as a career. A couple of years ago I attended my niece’s graduation from Scripps College in Claremont. Out of several hundred young women that were graduating I did not hear one mention of marriage or motherhood. There is tremendous pressure on women to “do it all” to have a career while raising children. One reason for this is that boys are not being groomed by society to be providers and protectors. It is only the Christian women who can feel fulfilled only doing one.

You may have noticed a theme in my three points. Traditional sexual identity is under attack. More specifically, male sexual identity is being attacked. There is no better reason for home schooling your children than to give them a strong foundation of what it means to be a Christian man or woman.

Park Day

Park Day is one of the best times for moms and kids to gather for fellowship and fun!

Location: Marchant Park, San Dimas, Juanita & Walnut Ave., 1—3 pm,

Join us on January 11 for Frisbee Golf, and on January 25 we’ll be playing Ultimate Frisbee, a fast paced game...lots of running and TEAMWORK! Fun for all!

Directions to Marchant Park: 210 fwy. EXIT San Dimas, go south to 4th St., turn LEFT. Go to Walnut Ave., turn Right. Go to Juanita Ave., turn LEFT.

A MORE “EASTERN” PARK DAY! We are meeting on the 3rd Wednesday of each month at Beryl Park (west) in Rancho Cucamonga. (on Carnelian just north of the 210 freeway) We meet from 12:00 to 1:30 with sack lunches. Come out and enjoy some fellowship with other moms while the children burn off some steam!

Questions? Call Kim Broadwell (909) 941-4641 kim@broadwellfamily.com

New Lap Book Class starting Jan. 10!

Astronomy

Meets Tuesdays mornings at 10:30-11:45 at NLCC

5 Weeks - Jan 10, 17, 24, 31, Feb. 5

\$50 fee to Robyn, \$8.50 to CCL

robynspotten@msn.com or 626-331-9891

The students make a great book project with all the info they have learned throughout the class. Sign up now!!!

S.A.T. TESTING FOR GRADES K-8TH

ATTENTION, ALL MOMS!!! Even though SAT testing is still a few months away, it is not too early to mark your calendars for it. Testing will take place on Tuesday, April 10th, Wednesday, April 11th, and Thursday, April 12th. On Tuesday, April 10th, everyone needs to arrive by 8:00 am and testing will go until approximately 12 noon. Then for Wednesday, the 11th and Thursday, the 12th, we will go from 8:30 am to about 12:00 noon (we will probably end earlier on Thursday). We will be testing at the Western Christian Elementary School campus, located at 3105 Padua Avenue, Claremont. The staff at Western Christian has requested for us to have plenty of adult supervision in each classroom. **This is where your help is needed – we need every available mom to help during SAT testing.** Please arrange your schedule to be available all 3 days, if possible (ie. – arrange for baby-sitters, if needed). We need moms to proctor the tests, help supervise in the classrooms, with the used book sale, with Picture Day on Wednesday, and in the hospitality area. Please contact Denise Kross at kd_kross@yahoo.com or 909-949-7057 to sign-up to help. There will also be sign-up sheets at the Friday Schools, the Tuesday School in Rancho and Park Days.

LEGOLAND CALIFORNIA RESORT HOME SCHOOLS DAYS

You do not need to sign-up with Western Christian PSP to go, but you will still need to obtain the required coupon on-line (see below). Home School Days are on Mondays (see website for dates).

YOUR HOME SCHOOL DAY COUPON IS OBTAINED ON-LINE ONLY. If you do not have a computer, ask a friend with a computer to register your family for the coupon. Just go to LEGOLAND.com and click on Buy Tickets, then click on Education Programs and then click on Home School Days and follow the instructions. **Please note that advanced registration is required 2 weeks in advance. No special tickets are available at the front gate. The advance registration takes place on-line only. ALSO, the admission rates do not include parking. Parking is \$8.00 or \$9.00 per car.**

You have three choices for the home school discounted admission rates:

- 1) HOPPER - \$25.00 per person. Includes admission to LEGOLAND California **and** SEA LIFE Aquarium.
- 2) LEGOLAND California - \$21.00 per person.
- 3) SEA LIFE Aquarium - \$9.00 per person.

HELLO DOLLY!... at BYT

JANUARY 12-14 AND 19-21, 2012. All ages. *Hello Dolly!* Is the story of Mrs. Dolly Levi's efforts to marry Horace Vandergelder, the well-known half-a-millionaire, and send his money circulating among the people like rainwater the way her late husband, Ephraim, taught her. Dolly tracks Vandergelder to his hay and feed store in Yonkers and several other places throughout New York City. What happens in the end? You will have to see for yourself as *Hello Dolly!* is an irresistible story of the joy of living, glittering with happy songs, shining with love scenes and alive with the personality of one of the most fabulous characters on the musical stage: Dolly Gallagher Levi! **TICKETS GO ON SALE NOVEMBER 1ST.** You can buy your tickets on-line at www.youth.biola.edu/theatre/boxoffice/.

COLUMBIA MEMORIAL SPACE CENTER

THURSDAY, JANUARY 19th. Grades K – 8th. The Columbia Space Center is the only space science learning center in the Los Angeles area dedicated to hands-on robotics and boasts LA's only Challenger Learning Center. They are also dedicated to preserving the history of the aerospace engineering in Downey. During your visit, you will learn about Downey's place in the exploration of space flight, from the Apollo capsules to the Space Shuttle Orbiters. Subjects covered during the tour: Human and Robot Space Exploration; The Principles of Flight and Aeronautics; Current NASA Programs and Technology; The Space Shuttle *Columbia*; The Aerospace History of Downey; Our Earth and Solar System. This is a decent lead tour and will take about 2 hours. Space is limited, so sign-up and pay early! (Since space is limited, priority space will go to school-age kids and preferably one adult per family).

TIME: Please arrive by 9:30 am. The tour will begin at 10:00 am.

COST: \$4.00 per person (kids and adults). Please make your check payable to CCL and write in the memo area "Columbia".

COORDINATOR: Please RSVP to Denise Kross at kd_kross@yahoo.com or 909-949-7057 on or before Wednesday, January 11th (please note that field trips usually fill-up quickly, so sign-up early!).

DIRECTIONS: 12400 Columbia Way, Downey 90242. (Please double-check the directions from another source before leaving home). Take the 605 Fwy. S, take Imperial Hwy./I-105 W exit, take the Imperial Hwy. exit, turn right on to Clark Ave./Columbia Way, building is on the right.

FLY THROUGH HISTORY

(Formerly known as End Times Tour)

THURSDAY, JANUARY 26th. (This is an additional date for this field trip (we are also going on Nov. 17th).

Please contact Denise to check on space availability for the January date). For grades K- 9th. Yanks Air Museum in Chino. If you have not

been on this field trip yet, now is the time to go! This has become a favorite field trip with many Christian families... definitely a favorite for the families of WCPSP. Learn about aviation's important role in America and possible connection to the Bible. It is likely that Daniel (the Prophet) was speaking about flying when he said, "many shall run to and fro, and knowledge shall increase", Daniel 12:4. Could aviation be a factor in this verse? You be the judge. Children love this tour because they are involved. The kids climb aboard a WW2 aircraft, tour the cockpit, and the main cabin which a paratrooper's actually jumped. Yes, your kids will jump too! After your tour, you can stay and explore the museum and visit the gift shop. (Also, discover the aircraft simulators developed by the same designer of the U.S. Air Force Stealth (B-2) bomber at an extra cost – optional).

involved. The kids climb aboard a WW2 aircraft, tour the cockpit, and the main cabin which a paratrooper's actually jumped. Yes, your kids will jump too! After your tour, you can stay and explore the museum and visit the gift shop. (Also, discover the aircraft simulators developed by the same designer of the U.S. Air Force Stealth (B-2) bomber at an extra cost – optional).

TIME: Please arrive by 8:40 am. The tour will begin at 9:00 am and end around 10:30 am.

COST: \$6.00 for ages 5 – 11 yrs. old, \$12.00 for 12 yrs. old thru adults, and children under 4 yrs. old are free. Please make your check payable to Center for Creative Learning or CCL and in the memo area write "Fly Thru History".

COORDINATOR: Please RSVP to Denise Kross at 909-949-7057 or kd_kross@yahoo.com on or before **Friday, January 6th.** (Please note that field trips usually fill up before the deadline date, so don't wait to sign up!).

DIRECTIONS: 7000 Merrill Ave., A270 #35, Chino 91710. (Please double-check the directions from another source before leaving home). Yanks Air Museum is located at the west end of the Chino Airport. When traveling south on Euclid Ave., turn left (east) on Merrill Ave. Proceed about 100 yards east and turn right (south) on Stearman Dr., proceed about 400 yards south on Stearman and turn left into the Yanks Museum parking lot.

AMY'S FARM IN ONTARIO

MONDAY, JANUARY 30th. Ages 2 yrs. old – 8th Grade. In an age when our country is filled with large monoculture farms, it is important for our kids to see and learn about a polyculture farm. On this polyculture farm, you will see a wide variety of plant and animal species living a symbiotic life. This farm system closely mimics nature where all species depend on each other. You can see first hand the importance of the circle of life. Animals help feed our plants with nutrient-rich fertilizer and in turn the plants provide food for humans and the animals that live on the farm. And in turn, the animals use the food we share with them

to make healthy meat, milk and eggs. At Amy's Farm, they farm organically, using no words that end in "cide". The kids learn the importance of beneficial insects such as pollinators and predatory insects. The kids learn the importance of companion planting: Did you know that carrots love tomatoes? Most importantly, the kids will learn where their food comes from. They will see the carrots pull up from the soil, open a pod and see the peas in a row, see chickens laying their eggs, see the fruit on the trees, feel the wool on the sheep, see the cow's udder, pick and smell fresh mint, rosemary, lemon verbena, etc. On the 1 ½ hour guided tour, you will participate in all sorts of fun hands-on activities: take a walk through the garden and learn about fruit and vegetables; view a mother cow and learn the "Story of Milk"; pet goats and sheep in the petting zoo; feed the pigs vegetables picked from the garden; see rosters, chickens, turkeys, geese and ducks; milk a cow; and pet horses and groom mini horses.

TIME: Please arrive by 9:20 am. The tour will begin at 9:45 am.

COST: \$8.00 per child (ages 2 and up) AND adult and kids under 2 are free. Please make your check payable to CCL and write in the memo area "Amy's Farm".

COORDINATOR: Please RSVP to Denise Kross on or before Wednesday, January 11th. (The field trips usually fill up quickly, so sign-up early!)

DIRECTIONS: 7698 Eucalyptus Ave., Ontario 91762. Go south on Euclid Ave., turn left onto Edison Ave., then right onto Bon View Ave., then right onto Eucalyptus Ave.

ANAHEIM DUCKS FIRST FLIGHT FIELD TRIP

TUESDAY, FEBRUARY 7TH. K—8th grade. This is a new field trip for our group and it sounds pretty cool. Honda Center is home to the Anaheim Ducks, and on February 7th, 2012, it will become home of the First Flight Field Trip. Join more than 15,000 students and teachers for this one-day event as we explore the math and science of hockey in Southern California's largest classroom. Unlike traditional science museums, the First Flight Field Trip will educate students within a highly exciting and entertaining atmosphere. It will combine learning from hands-on exhibits and displays, workbook activities, and best of all, students will be taught live and in person by hockey experts—the Anaheim Ducks players and coaches! We will receive tickets and workbooks about a month prior to the event. Our group will be assigned seating in the same general area. The schedule for the day will be: **Playground (8:00 am – 10:30 am)** – The "playground" is the First Flight Field Trip's exhibition area located in the Honda Center parking lot. It will open at 8:00 am and students can participate in interactive activities and engage in hands-on exhibits that relate to the educational lessons found in the First Flight workbook. **Classroom (10:45 am – 12:30 pm)** - The on-ice hockey segment with the entire Anaheim Ducks team, including players and coaches, will begin at 10:45 am. All workbook lessons will be covered and answers to will be worked out and revealed with members of the Anaheim Ducks. After the educational portion of the event, the Ducks will entertain students with an exciting skills competition for all to enjoy. **Additional Information** - We will need to arrive early (more details on that as we get closer to the date), you will be allowed to bring food into the arena (concession stands will not be open), backpacks will be allowed into the arena, NO cameras or video recording devices will be allowed into the arena, dress warmly (temperatures in the arena will range between 55 and 65 degrees. (ALSO, we have space for 75 kids and 45 adults, so 1 adult per family to start off (and then we can see if there is space to add more adults AND I believe no younger, non-school-age kids can attend, but I am double-checking on that).

TIME: Early arrival, probably around 7:15 am (I will find out more on that). The field trip begins at 8:00 am.

COST: \$1.00 per child AND per adult and parking is free. Make check payable to CCL and write in the memo area "Ducks".

COORDINATOR: Please contact Denise Kross at kd_kross@yahoo.com or 909-949-7057 by Wednesday, January 18th (Please note that our field trips do fill-up quickly, so sign-up early!)

DIRECTIONS: 2695 E. Katella Ave. Anaheim 92806 (Please double-check directions from another source before leaving home). Take the 57 Fwy. South, take the Ball Rd. exit, turn left onto E. Ball Rd., E. Ball Rd. becomes W. Taft Ave., turn slight right onto N. Batavia St., turn slight right onto W. Katella Ave.

LIFETALES PRESENTS: CLARA BARTON

Thursday, February 9th. For grades K- 8th. Inspired by some of the most influential people in history, the Lifetales musical biographies present the compelling lives of amazing heroes, inventors, and achievers in one-act (one hour) productions. These musicals bring history to life for students and include an educational course curriculum for teachers/parents that feature highlights of the historic individual's life. In this production witness the remarkable true story of Clara Barton, who not only helped transform the nursing profession amidst the horrors of the Civil War, but also brought the Red Cross to prominence in America. This moving musical pays tribute to a true American hero!

TIME: Please arrive by 10:20 am to check-in. Seating will begin around 10:40 am and the show will begin at 11:00 am.

COST: \$8.00 per person (kids 3 yrs. old and up AND adults). Kids under 3 yrs. old can sit on their mother's lap. Please make check payable to CCL and write in the memo area "Lifetales".

COORDINATOR: Please RSVP Denise Kross at 909-949-7057 or kd_kross@yahoo.com by Wednesday, January 25th.

DIRECTIONS: LifeHouse Productions is located at 1135 Church St., Redlands 92374. (Please double-check the directions from another source before leaving home). Take the 10 Fwy. east towards San Bernardino, take the exit towards Orange St./CA-38/ Downtown, stay straight to go onto W. Pearl Ave., turn left onto 6th St., turn right onto E. Colton Ave., turn left onto N. Church St., and LifeHouse is on the left.

Valentine's Day Bowling Party

Monday, February 13th. K- 9th grade. This is a great time for the kids to get together and have fun bowling and hanging out. All the moms really enjoy this time of fellowship while the kids are bowling. We are asking for mom's to volunteer to sign-up to bring 1 dozen cupcakes to share with everyone. PLEASE NOTE THAT DUE TO THE LARGE SIZE OF OUR GROUP THERE WILL BE NO MASS VALENTINE EXCHANGE AT THE BOWLING PARTY. If your kids would like to bring some Valentine's to give to their friends on their own, they are welcome to do that.

WHERE: Chaparral Lanes in San Dimas

TIME: 1 -3 pm. Please arrive by 12:45 pm to check-in, get shoes and receive lane assignments.

COST: \$10.50 per child (includes 2 games and shoe rental). Please make your check payable to Center for Creative Learning (or CCL) and write in the memo area "Bowling".

COORDINATOR: Please RSVP to Denise Kross at 909-949-7057 or kd_kross@yahoo.com by Friday, February 3rd. When you sign-up, please indicate if you can bring 1 dozen cupcakes.

DIRECTIONS: 400 W. Bonita Ave., San Dimas (please double-check the directions from another source before leaving home). Take the 57 Fwy. north, take the Arrow Hwy. exit onto Bonita Ave. Once on Bonita Ave., Chaparral Lanes is about 1.3 miles (heading east) and it is on the right.

INTERNATIONAL PRINTING MUSEUM

THURSDAY, FEBRUARY 23rd. K – 8th grade. Beginning with a tour through the Printing Museum's extensive collection of working machinery, you will experience the development of the arts and technologies used to transmit ideas, including writing, papermaking, printing and bookbinding. From printing a Bible page on the Gutenberg's Press, to visiting Franklin's printing shop, even watching the marvelous newspaper machines of the Industrial Revolution. Following the gallery tour, you will step into the Heritage Theatre to meet the Inventive Dr. Franklin. Franklin will introduce you to his many inventions and discoveries, from swim fins to bi-focals, from the first lending library to the Constitution.

Franklin demonstrates his static electrical generator, originally used to create a battery, as he aims to ignite young minds with the wonders of science and invention! The total tour time will be 2 hours.

TIME: Please arrive by 9:40 am and the tour will begin at 10:00 am.

COST: \$8.00 per person (including kids and adults). Please make your check payable to CCL and write in the memo area "Printing Museum".

COORDINATOR: Please RSVP to Denise Kross at 909-949-7057 or kd_kross@yahoo.com by Friday, February 3rd (our field trips usually fill-up quickly, so sign-up early).

DIRECTIONS: 315 W. Torrance Blvd., Carson 90745. (Please double-check the directions from another source before leaving home). Take the 605 Fwy. South, merge onto the 105 Fwy. West, merge onto the 710 Fwy. South, merge onto the 91 Fwy. West,

Merge onto the 110 Fwy. South, take EXIT 8 toward Torrance Blvd., turn left onto Hamilton Ave., turn left onto Torrance Blvd., the Museum is on the left, across the street from K-Mart.

WHALE WATCHING

Thursday, March 1st. For ages 1 to 100! Maybe you have always thought that going on a whale watching trip would be a fun thing to do, but never got around to doing it or thought that it was too expensive. Well, here is your opportunity to spend a few hours watching whales (and other sea life) with other families from our home school group and at a reasonable cost. This is a 2 ½ hour, narrated cruise by members of the American Cetacean Society. The boat will travel ½ to 3 miles off the shore in search of the gray whales. In addition to gray whales, you may encounter dolphins, Pilot whales, seals, sea lions, fish and marine birds. Since no one can actually “guarantee” whale sightings, dolphins and porpoises (which are whales) are considered legitimate sightings. The boat is fully inspected by the U.S. Coast Guard. The

boat also features hot and cold food and beverage service, comfortable viewing facilities (topside and inside). There are also restroom facilities onboard. Dress warm. Bring a jacket, gloves, a hat and **wear rubber sole shoes**. Don't forget your camera and binoculars. Also, please note that one parent per family will need to sign the Manifest List before departure. There will be printed copies available with the rules that we need to abide by before you sign the Manifest. **EVERY PERSON WHO WILL BE ABOARD THE BOAT WILL NEED TO HAVE THEIR FULL NAME, ADDRESS AND PHONE NUMBER RECORDED ON THE MANIFEST. THE MANIFEST MUST BE COMPLETED BEFORE WE ARRIVE AT THE DOCK.** No ice chests or coolers are permitted on the boat.

TIME: Please arrive at the dock by 9:20 am. The cruise will depart at 10:00 am. So give yourself enough time to park and walk to the dock area.

COST: \$12.00 each for kids and adults. Children 3 and under are \$4.00.

COORDINATOR: Please RSVP to Denise Kross at kd_kross@yahoo.com or 909-949-7057 before Friday, February 17th.

DIRECTIONS: Davey's Locker is located at 400 Main Street, Balboa 92661. (Please double-check the directions from another source before leaving home). Take which ever freeway necessary to get to the Costa Mesa (Route 55) Freeway. Take the 55 Freeway SOUTH until it ends at Newport Blvd. Take Newport Blvd. south onto Balboa Peninsula (NOT Balboa Island). It will merge with Balboa Blvd. Continue on Balboa Blvd. to Palm Street (look for a large green sign which says “Pier and Parking”). Turn RIGHT on Palm St. towards the large municipal parking lot and park. Then walk to the base of the Balboa Pier (south end of Main St.). Turn left and walk straight down Main St. away from the pier. Continue walking down Main St. until you reach the Balboa Pavilion, located at the far end. Davey's Locker is located to the right of the Harborside Restaurant in the Balboa Pavilion.

SHAKESPEARIENCE

(A Field Trip for High Schoolers)

WEDNESDAY, March 14th. For grades 9th -12th and adults. Performed at the historic Alex Theatre in Glendale. This amazing field trip features stunning performances of the Bard's finest works! Essentially a “play within a play”, the production follows the adventures of an acting troupe as they stage a series of scenes from Shakespeare's most famous plays. From the tragic intertwining of “star-crossed lovers” in Romeo and Juliet to the hysterical antics of A Midsummer Night's Dream, each of the scenes has been carefully selected for their educational value as well as their dramatic impact on the students. With Puck as their guide, the students will embark on an unforgettable journey filled with dazzling swordplay, passionate love scenes, bitter betrayals, and mischievous magic! The performance lasts about 90 minutes.

Shakespeare

TIME: 12:00 noon. **Arrival time is 11:15 am.**

COST: \$11.00 per person (students and adults). **PAYMENT MUST BE IN BY FRIDAY, DECEMBER 2nd** (we need to pay in advance). Please make your check payable to Center for Creative Learning or CCL and write in the memo area “Shakespearience”.

COORDINATOR: Please RSVP to Denise Kross at (909) 949-7057 or kd_kross@yahoo.com on or before Friday, November 18th.

DIRECTIONS: Alex Theatre, 216 North Brand Blvd., Glendale 91203. (Please double-check the directions from another source before leaving home). Take the 210 Fwy north to the 134 Fwy west and exit Brand Blvd. and turn right onto Maryland Ave. **ALL STUDENTS AND CHAPERONES MUST MEET BEHIND THE ALEX THEATRE ON MAYLAND AVE.** There is parking available in nearby parking lots.

Decade Days!

1661 E. Cypress Street, Covina CA 91724

Welcome to DECADE DAYS! This year at Covina Friday School, we will be exploring American History through the decades. We'll begin with the turn of the century and spend two weeks in each of the following: the 20s, 40s, 50s, 60s, 70s, 80s and the 21st century. Students will experience games, dances, art, and history, as well as having a chance to share outside findings with their class. On the last day of school, students will present all of their new-found knowledge for an audience.

Staff:

- Public Speaking: Amy Miller
- Dance: Sandy Brock
- Historical Games: Lynn Murray
- Art: Holly Stephens
- Music: Peggy Peterson

Fee: \$105 per student per semester (check payable to CCL)

Time: 9 am—12 noon

WCPS P Center for Creative Learning 2011 ~ 12

Tuesday Classes @ Community Baptist Church

9090 19th St., Rancho Cucamonga, A 91701

Grades K—6

NEW WRITING CLASS OFFERED NEXT YEAR FOR TUESDAY SCHOOL IN RANCHO CUCAMONGA!

The K-2 grades will be doing a session on “Teaching Character through Literature” similar to the Beautiful Feet study guide. We’ll be reading, drawing, and writing or tracing simple Bible verses or stories. The 3-8 grades will be using the same type of character based literature books while learning the IEW (Institute for Excellence in Writing) skills. The students will be putting together a binder and learning basic writing skills, using IEW methods. More details to come...

Art ~ Teacher: Christy Miller

In this session of Tuesday School the kids will learn about an artist from an interesting book showing many photos of the artist's work and then we will create a piece of art similar to what that artist made. Some of the weeks we will need two Tuesdays to complete our artwork, so hope you can make it to each class. For those of you who have been in my Friday School First Grade class, we will be doing different projects. Looking forward to teaching your students!

Science ~ Teacher: April is a "retired" elementary school teacher who is homeschooling her 7 and 9 year-olds. Christian homeschooling is her passion. She holds a Master's degree in Social Psychology, where her focus was children's socialization.

We will be using Apologia Science—a wonderful, creation-based curriculum. K-6th grade will study human anatomy and physiology, using exciting activities and experiments to explore our body systems, senses, blood and cells. 7th and 8th graders will take an in-depth look at the scientific method and experiment design through the study of simple machines, archaeology, geology, biology and more!

PE ~ Teacher: Lynn Murray BS Physical Education California Teaching Credential in PE

Tuesday School’s Physical Education Class will have the wonderful opportunity to be inside using a gym! This class involves basic movement principles which will be incorporated throughout each class meeting, particularly in teaching skills which are specific in various games and sports. Selected activities will show a balance between individual and team emphasis, with having a gracious attitude and sportsmanship always strived for. Physical Fitness will be addressed in every session during warm-up and the California Benchmarks and Standards will be covered. Each class will include skill instruction, a variety of drills and a FUN lead-up game which will be sequential through the specific unit. Kids should wear clothing that they can PLAY in and shoes they can RUN in. Each class is also designed to emphasize the motor development of that particular age level and lots of Fun for ALL!

\$105 per student per semester (check payable to CCL)

Friday School Center for Creative Learning 2011—2012

@ Chino Valley Community Church

14601 Peyton Drive Chino Hills CA. 91709

A program to enrich your child in developing art, science, music and physical movement. Our purpose is to love, support, and serve each other, the parents, and the children, with the love of Jesus Christ. We want to enrich the home school experience of children by teaching these extra curricular activities as well as providing a chance to bond with other children through constructive social contact.

Chapel — Students and parents meet together for worship and a devotional. Student leaders are being developed as we create worship teams with praise team leaders. We also listen to God’s Word through parent speakers. (Parents are encouraged to participate in chapel through worship and listening attentively to speaker. Sitting with children is recommended.)

K—3: Classes include various activities that create a joyful classroom experience that incorporates science, history, cooking and PE. A weekly theme pulls everything together to make this a fun time for your student.

Physical Education involves basic movement principles which will be incorporated throughout this class, particularly in teaching skills which are specific in various games and sports. Selected activities will show a balance between individual and team emphasis, with a good attitude and sportsmanship always at the top. Physical Fitness will be addressed in every session during warm-up; skill instruction, a variety of drills and FUN lead-up games will be the sequence of each class. Kids should wear clothing that they can PLAY in, and shoes they can RUN in. Each class is designed to emphasize the motor development of that particular age level and be lots of FUN for ALL!!!

Science-A lab based class centered around creationism. It introduces the student to basic scientific concepts through lectures, teacher-student interaction and, of course, experiments. Some of the past subjects taught have included astronomy, chemistry, physics, botany and entomology.

Art-This class will be an Introduction to a handful of different art mediums. Students will experiment with sketching, pastels, watercolors and cartooning. This class is designed to meet the students’ different ranges of skill and interests through a series of assignments, home projects as well as keeping a sketchbook throughout the session. My goal for the class is for the students to unleash their creativity, develop their skills, gain knowledge and confidence in the arts, and do all of the above while having FUN!

Chapel meets upstairs in the youth room

Children will be excused to teachers after chapel and teachers will take students to classroom

Teaching Staff

K- – April Oliva

Grade 1 – Christy Miller

Grade 2 - Peggy Peterson

Grade 3 – Donna Burns

Art (Grades 4—8) – Holly Stephens

Science (Grades 4—8) – Amy Miller

P.E. - Outside – Lynn Murray

Please provide your child with a snack.

The library that is right on campus will be open between 8:30 am—12:30 pm every week. You can check out books, movies or just read and relax.

For those of you who need somewhere to go other than the above options while Friday School is in session there are many options in the area from shopping, and eating to parks and gyms. Please go to the front table for a map.

There are a few rules that we need to abide by while on the campus:

Please remember that we are guests and we should try our best to be a blessing!

Please no wheels in shoes inside the building.

Please no gum, food, or drinks in the building. (But, remember to bring snacks for a specified snack time!)

Please do not touch any equipment that doesn’t belong to you.

Please stay only in the designated school areas.

Please do not use the elevator unless needed...stairs are outside the building.

Thank you. I know this will be a great year for our group!!

Fee: \$105 per student per semester (check payable to CCL)

HIGH SCHOOL HAPPENINGS

High School Coordinator: Carol Loumagne (909) 913-3225

January 2012

NEW ON-CAMPUS POLICY: Part-time students will participate in the PSP graduation ceremony only.**Health Class**

This one semester course deals with the five main components of health: physical, spiritual, mental, emotional, and social health. This class includes class discussions and lectures as well as a high school level "Lap book " project. They will also be creating a notebook with notes and articles on the topics discussed. Through this course, the students will learn how to develop and maintain a healthy lifestyle.

Text: Total health: Choices for a Winning Lifestyle (2nd Edition - By Susan Boe)

Instructor: Robyn Spotten - robynspotten@msn.com

Meets Tuesdays 1st period - 8am-9:15 at NLCC beginning 2nd semester

Cost: \$140

I need 5 students enrolled for this class to take place.

SHAKESPEARIENCE (A Field Trip for High Schoolers) ~

WEDNESDAY, March 14th. For grades 9th -12th and adults. Performed at the historic Alex Theatre in Glendale. This amazing field trip features stunning performances of the Bard's finest works! Essentially a "play within a play", the production follows the adventures of an acting troupe as they stage a series of scenes from Shakespeare's most famous plays. From the tragic intertwining of "star-crossed lovers" in Romeo and Juliet to the hysterical antics of A Midsummer Night's Dream, each of the scenes has been carefully selected for their educational value as well as their dramatic impact on the students. With Puck as their guide, the students will embark on an unforgettable journey filled with dazzling swordplay, passionate love scenes, bitter betrayals, and mischievous magic! The performance lasts about 90 minutes.

TIME: 12:00 noon. **Arrival time is 11:15 am.**

COORDINATOR: Denise Kross at (909) 949-7057 or kd_kross@yahoo.com **DIRECTIONS:** Alex Theatre, 216 North Brand Blvd., Glendale 91203. (Please double-check the directions from another source before leaving home). Take the 210 Fwy north to the 134 Fwy west and exit Brand Blvd. and turn right onto Maryland Ave. **ALL STUDENTS AND CHAPERONES MUST MEET BEHIND THE ALEX THEATRE ON MAYLAND AVE.** There is parking available in nearby parking lots.

Transcript Requests—Please allow 5 — 7 days for processing your transcript request. Contact Martha Lujan at WCSPSP@aol.com

Remember—

*A *maximum* of **9 courses** allowed each semester ~ although only 70 credits are needed each year to have 280 credits ☺

Due Dates for High School Paperwork (Please send all paperwork to Martha Lujan.)

October 1 -	Course Summaries, 4-Yr Plan
January 30 -	1st semester Report Card, Lesson Plans & Grade Sheet
March 30 (Seniors only)	<u>All</u> paperwork turned in and up to date
June 1 (Seniors only) -	2nd Semester Report Card, Lesson Plans, Attendance form (All required paperwork must be submitted in order to graduate)
June 15 (Gr. 9—11) -	2nd Semester Report Card, Lesson Plans, Attendance form

Jr. High and High School Credit Courses CLASS DESCRIPTIONS 2011—2012!!

Enrollment Fee: \$25 per semester per class (payable to Center for Creative Learning)
THIS IS NOT INCLUDED IN TUITION FEES!

Course Fee: Fees vary (payable to individual teacher) **Per semester** unless otherwise stated.

How to Enroll: Please call each individual teacher to enroll. Registration forms will be e-mailed and/or available at www.freedomtoteach.org. These are to be completed and turned in to teacher(s) on the first day of class. Only ONE form per student needs to be completed for all classes to be taken.

Please note: These classes are designed to be supplemental--to help parents of junior high and high school students. The parents are considered the primary instructors and are responsible to make certain that the work is completed, that grades are turned in to the PSP, and that payments are made to the respective teachers.

Chino Valley Community Church

14601 Peyton Drive Chino Hills CA. 91709

Writing/Grammar I through U.S. History (Explorers to the Gold Rush)

This is a full year course for 6-10th graders. It is a class for students who have not taken a writing class previously or are not familiar with the basic EIW elements. The class will cover vocabulary, grammar, editing, public speaking and poetry using sources that focus on this time period in history.

Material: Three ringed binder, dividers

Location: Chino Valley Community Church

Teacher: Karen Greek 909.986.7158 or webksg@verizon.net

Writing/Grammar II through U.S. History (Civil War Era to the Present Day)

This is a full year course for 6th-10th graders. It is a class for students who have taken Writing and Grammar I or have had previous experience with EIW and know the elements included in this program. This class will also include vocabulary, grammar, editing, public speaking and poetry using sources that focus on this time period in history.

Materials: Three ringed binder, dividers, packet from Writing I, and the novel *Animal Farm*

Location: Chino Valley Community Church

Teacher: Karen Greek 909.986.7158 or webksg@verizon.net

American Literature:

In this junior level course students will study the great American writers such as Jonathan Edwards, Hawthorne, Washington Irving, Twain, and many others. Students will enhance their critical thinking skills and develop their understanding of American Literature within a biblical worldview. Our weekly class sessions will provide a time of interaction between the students and teacher where they will engage in meaningful discussions about the material and participate in group projects and collaborative assignments. This class will include composition, novel reviews, timed writings and thesis statements.

Materials: TBA

Place: Chino Valley Community Church

Instructor: Karen Greek webksg@verizon.net

Physical Science

This is a full year high school credit class. 8th graders can take the class for high school science credit as well. Topics covered will include: the atmosphere, oceanography, earthquakes, volcanoes, geology, chemistry and physics. This is a foundational science course that prepares your student for upper level science. It includes laboratory experiments that reinforce topics. We will be doing a science project and presentation in the second semester. (minimum 7 students needed)

Textbook/Materials: Abeka Science of the Physical Creation, 2nd Edition textbook, Lab Manual, and Test booklet

Location: Chino Valley Community Church

Teacher: Karen Greek 909.986.7158 or webksg@verizon.net

Spanish I

This is a full-year, high school level course. We will learn basic conversation, as well as Spanish grammar and usage. We will also be introduced to various Latin American cultures. There will be homework every week and a test about every three weeks.

Text: Spanish I from Bob Jones University Press (I use 2nd edition, but 1st edition will work as well.)

Bring: 3-ring binder with 4 tabs

Place: Chino Valley Community Church

Instructor: Lori Fischer Email: lori@5fishers.org (please contact via e-mail only. Thanks.)

Spanish II

This is a full-year high school level course. We will continue where we left off with Spanish I reviewing present-tense and preterite tense verbs before moving on to other tenses. There will be homework every week and a test about every three weeks. As time permits we will include games in our class time to help us review what we've learned. Bring: 3-ring binder with 4 tabs; 1 pack 3x5 cards with card file box.

Text: BJUP *Spanish II* (2nd edition)

Location: Chino Hills (CVCC) Instructor: Lori Fischer Email:

lori@5fishers.org

World Religion/Geography:

This one year course includes the study of locations as well as cultures and people groups from around the world with a special focus on religions as they compare to Christianity. The class is worth 10 credits in Bible and 5 in Geography. Through textbooks, enrichment projects and maps using a variety of atlases, the students will gain insight into various climates, religions, and cultures. Class time will include guest speakers, videos and several field trips (mainly on Wednesdays) to various places of worship. (Buddhist temple, mosque, etc.)

Materials: *World Geography in Christian Perspective* text and *World Geography Maps Study Book* (Abeka); colored pencils; 3-ring binder

Religion textbook: TBA

Bev Gibbon 909-597-8819 or gibbonfam@verizon.net

Fridays at CVCC

Tuition: \$145 plus field trip costs

Foundations in Personal Finance (Fall):

This one semester course walks students through the steps of financial peace, helping them to prepare for the ups and downs of money before entering adulthood. Topics include saving and investing, credit and debt, budgeting, bargain shopping, relating with money and income/careers. Class time includes videos by Dave Ramsey geared for high schoolers, discussions and group activities. This is NOT a math course but will go well with consumer math.

Text: *Foundations in Personal Finance* by Dave Ramsey

Bev Gibbon 909-597-8819 or gibbonfam@verizon.net

Fridays CVCC

Tuition: \$100 + possible \$5 materials fee

ASB Leadership:

This one year course will be an interactive class for high school students that is the foundation for Western Christian PSP's Associated Student Body (ASB) program. From service projects to planning and implementing monthly Teen Night events, students will be learning about the needed character traits for godly leadership and ways to develop these traits in their lives through hands-on experience. **Applications are required and due by May 1st. Next year's ASB class will have a mandatory parent/student meeting in May, and several student meetings throughout the summer. Summer dates will be given at the first meeting in May**

Text: TBA/MUST have access to email

Fridays CVCC (and various times/locations due to activities)

Advisor: Bev Gibbon 909-597-8819 gibbonfam@verizon.net

Tuition: \$100

Bible: New Testament and the Early Church (grades 9—12)

This class will be an overview of the Bible in relation to church history. This is a one year course beginning with the early church and culminating in the modern church of today. This class will also teach students how to read and study the Bible as they continue on their life long journey of deepening their understanding of God's Word.

Materials: TBA

Instructor: Pastor Rick Schoon Contact information: ricks@summitridge.tv

Health (Spring semester):

In this one semester course students will learn practical principles of good health, including physical, mental, social, and spiritual aspects. Students will spend time at home reading the textbook, completing worksheets, quizzes, tests and some projects. Class time will include group activities, guest speakers and discussion involving the chapters studied at home.

Text: *Total Health* second edition by Susan Boe

Bev Gibbon 909-597-8819 or gibbonfam@verizon.net Fridays CVCC

Time: 11:45 am—1 pm

ALGEBRA I (Grades 8-10)

Text: Algebra I, BJU Press

(same as prev 4 years)

check with me for used available!

student hardback ISBN# 0-57924-325-8

OR student softback ISBN# 1-59166-643-0

teacher's ISBN# 1-57924-326-6 (2 VOLUMES!!)

a placement exam may be required prior to enrollment - call or e-mail ASAP

THIS CLASS BEING OFFERED IN POMONA AND IN CHINO HILLS, IF DEMAND SUPPORTS.

This is a full year, high-school level course. Begins with a very extensive review of basic mathematical terms and rules, working with integers and real numbers. Moves into the vocabulary of Algebra, solving equations and inequalities, relations, functions, and graphs, systems of equations and inequalities. Then covers working with polynomials, and factoring them, dealing with radicals, quadratic equations, rational expressions and equations. Students will learn concepts in class, then complete daily assignments at home. Daily homework to be corrected by parent and/or student. Unit tests will be sent home, to be administered (per instructions) by a parent or homeschooling teacher, and brought back to the next class session. TEACHER'S EDITION REQUIRED-- Parent(s) welcome and encouraged, but not required, to accompany students to class, in order to support study during the week.

Materials: 3-ring binder and paper, ruler (inches and cm), protractor, compass (call before buying!)

Day and Time: Tuesday, New Life Community Church OR Friday at CVCC -

Teacher: Sandi French Call for more info (626) 447-1678 stlnlove@aol.com

Tuition: \$145

Minimum class size: 5 students - Maximum class size: 15 CALL EARLY TO EXPRESS INTEREST!!

ALGEBRA II (Grades 11-12) THIS IS A TWO-DAY-PER-WEEK CLASS!

Text: Algebra 2 (2nd edition) BJU Press softback ISBN# 1-57924-385-1
(same text as previous 4 yrs) teacher's ISBN# 1-57924-386-X

****a placement exam must be completed prior to enrollment - call or e-mail ASAP****

This is a full year, high school level course - **STUDENT MUST HAVE COMPLETED AT LEAST ALGEBRA I PRIOR TO ENROLLMENT** - I do recommend, for most, that students take Alg 2 the year immediately following Alg 1, if they are intending to do **BOTH** classes - Alg 2 content relies **HEAVILY** on Alg 1 content!!

This is a presentation of Algebra as an exercise in stewardship of creation, developing thinking skills and Christ-likeness . . . wow! Chapter 1 dives right into factoring polynomials, binomials, and trinomials, assuming a pretty strong mastery. Text moves through linear equations and inequalities, linear relations, quadratic equations and functions, graphing, linear programming, radicals and exponential functions and equations, imaginary and other complex numbers, rational expressions and equations, trigonometry, and matrix algebra. Students will learn concepts in class, then complete daily assignments at home. Daily homework assignments will be corrected by student or parent. Unit tests will be sent home, to be administered by a parent or instructor, and brought back to the next class session. **TEACHER'S EDITION REQUIRED** -- Parent(s) welcome and encouraged, but not required, to accompany students to class, in order to support study during the week. The subject matter here is complex - **TOO** complex for a once a week class. It will be **TWO (2) days per week**, though there may be a **FEW** Friday classes that we **DON'T** hold (due to holiday schedules, etc).

Materials: 3-ring binder and paper, ruler (inches and cm), protractor, compass (call before buying!), and a scientific calculator . (graphing calculator **NOT** necessary)

Day and Time: Tuesdays, **9:15am** at New Life Community Church **AND** Friday at CVCC, time TBA (**BOTH SESSIONS REQUIRED**)

Teacher: Sandi French Call for more info (626) 447-1678 stlnlove@aol.com Tuition: \$210

Minimum class size: 5 students - Maximum class size: 15

CALL EARLY TO EXPRESS INTEREST!! (this class may overfill, and have a waiting list)

CONSUMER MATH (Grades 11-12)

Text: Consumer Math (2nd edition) BJU Press softback ISBN# 1-57924-892-6
(2005 publish date) teacher's ISBN# 1-57924-893-4

This is a full year, high school level course - a God-centered, Scripturally-based approach to stewardship, and the financial transactions that are encountered in every-day grown-up real life. Based on the five essential principles for the consumer: 1) plan ahead 2) shop for bargains 3) maintain the value of your belongings 4) know when to borrow, and 5) keep accurate financial records.

Will cover such things as income and tax deductions, budgeting, personal banking, borrowing money, transportation costs/investments (buying and maintaining a car), food costs and budgeting strategies, clothing costs and budgeting strategies, housing costs and budgeting (including home purchases and maintenance), life and health insurance, income taxes (including completion of the basic tax forms), and vacation planning. (whew!)

These are **BASIC LIFE SKILLS** that everyone needs, and few, at this time in their life (or ever) are given adequate instruction on! Students will learn concepts in class, then complete daily assignments at home. Unit tests will be sent home, to be administered by a parent or instructor, and brought back to the next class session. **TEACHER'S EDITION REQUIRED** -- Parent(s) welcome and encouraged, but not required, to accompany students to class, in order to support study during the week (or to learn alongside their student!). Parents or students will correct the daily work.

Math concepts will be basic, but there's quite a bit of it!! -- at least completion of a Pre-Algebra class would be wise. Ratios, Percentages, basic equation solving, and measurements (including conversions) will be **COVERED**, but a basic knowledge would be good . . . This is a great math option for the student who is **NOT** strong in math skills, but needs to get the required classes in for graduation, as **WELL** as being a terrific life-skills course for **ANYONE**, including the mathematically gifted :-). Recommended for students who are seniors, especially before they "head out into the world".

Materials: 3-ring binder and paper, ruler (inches and cm), scientific calculator, others as instructed

Day and Time: Fridays in Chino Valley Community Church -- see page 14

Teacher: Sandi French Call for more info (626) 447-1678 stlnlove@aol.com Tuition: \$145

CLASS DESCRIPTIONS 2011—2012!!

PRE-ALGEBRA (Grades 7-9ish)

Text: Pre-Algebra, BJU Press
same as previous 3 yrs -
check with me for used available)

student hardback ISBN# 0-89084-762-2
OR student softback ISBN# 1-59166-639-2
T.E. ISBN#0-89084-791-6 (2 VOLUMES!!)

This is a full year course. Will cover skills required to proceed into High School Algebra, and students completing it will be WELL PREPARED for Algebra 1.

**I get asked often, which math should my Jr Higher be doing?" If your student does a decent job (80% average) on basic mathematics, especially multiplication & division, and maybe ok on fractions, he/she should take Pre-Algebra. The current "fashionable" trend in education these days (public and private) is that students should take Algebra I in 8th grade, which would mean Pre-Alg in 7th. This works for some, and is (in my opinion) a GRAVE mistake for a lot of others! According to Bob Jones, this is an 8th grade curriculum.

This class is available, as well, to High School students who require additional work on the basics!

Call me if you need to talk about any of this!

Starts right out working with equations, covering properties of addition, subtraction, multiplication and division. Will move into decimals, integers, multiples, factors, fractions, equations and inequalities, ratio, proportion, percentages, geometry and graphing. Emphasis through entire text is on equations and solving them, using all the mathematical concepts introduced. These basic skills would be prerequisite for an Algebra course. Students will learn concepts in class, then complete daily assignments at home. Daily homework to be corrected by parent and/or student. Tests will be sent home, to be administered by a parent or homeschooling teacher, and brought back to the next class session. TEACHER'S EDITION REQUIRED -- Parent(s) welcome and encouraged, but not required, to accompany students to class, in order to support study during the week.

Materials: 3-ring binder and paper, ruler (inches and cm), protractor, compass (call before buying!)

Day and Time: TBA at New Life Community Church, Pomona Tuition: \$145 per semester

Teacher: Sandi French Call for more info (626) 447-1678 stlnlove@aol.com

Minimum class size: 5 students - Maximum class size: 15 CALL EARLY TO EXPRESS INTEREST!!

ALGEBRA I (Grades 8-10)

Text: Algebra I, BJU Press
(same as prev 4 years)
check with me for used available!

student hardback ISBN# 0-57924-325-8
OR student softback ISBN# 1-59166-643-0
teacher's ISBN# 1-57924-326-6 (2 VOLUMES!!)

a placement exam may be required prior to enrollment - call or e-mail ASAP

THIS CLASS BEING OFFERED IN POMONA AND IN CHINO HILLS, IF DEMAND SUPPORTS.

This is a full year, high-school level course. Begins with a very extensive review of basic mathematical terms and rules, working with integers and real numbers. Moves into the vocabulary of Algebra, solving equations and inequalities, relations, functions, and graphs, systems of equations and inequalities. Then covers working with polynomials, and factoring them, dealing with radicals, quadratic equations, rational expressions and equations. Students will learn concepts in class, then complete daily assignments at home. Daily homework to be corrected by parent and/or student. Unit tests will be sent home, to be administered (per instructions) by a parent or homeschooling teacher, and brought back to the next class session. TEACHER'S EDITION REQUIRED-- Parent(s) welcome and encouraged, but not required, to accompany students to class, in order to support study during the week.

Materials: 3-ring binder and paper, ruler (inches and cm), protractor, compass (call before buying!)

Day and Time: Tuesday, New Life Community Church OR Friday at CVCC -

Teacher: Sandi French Call for more info (626) 447-1678 stlnlove@aol.com Tuition: \$145 per semester

Minimum class size: 5 students - Maximum class size: 15 CALL EARLY TO EXPRESS INTEREST!

GEOMETRY (Grades 9-11)

Text: Geometry (3rd edition) BJU Press

softback ISBN# 1-59166-640-6

2nd edition is acceptable as well, in this case!

teacher's ISBN# 1-59166-346-7 (2 vol)

check with me for used available!

****a placement exam may need to be completed prior to enrollment - call or e-mail ASAP****

This is a full year, high school level course - **STUDENT MUST HAVE COMPLETED AT LEAST ALGEBRA I PRIOR TO ENROLLMENT** - I do recommend, for most, that students take Alg 2 the year immediately following Alg 1, if they are intending to take BOTH classes - Alg 2 content relies **HEAVILY** on Alg 1 content!!.

This is a presentation of Euclidean geometry, as a model of God's creative energy - and as man's attempt to understand and explain God's creation. Covers incidence geometry, subsets of lines, planes and space, segments and measurement, angles and measurement, preparing proofs, congruence, triangles and quadrilaterals, area of two and three dimensional forms, Circles and the related geometric functions, space and how geometry applies there, volume, transformations and symmetry. Heavy emphasis on two-column proofs. Students will learn concepts in class, then complete daily assignments at home. Unit tests will be sent home, to be administered by a parent or instructor, and brought back to the next class session. In addition, a notebook is kept and will be graded. **TEACHER'S EDITION REQUIRED** -- Parent(s) encouraged to accompany students to class, in order to support study during the week.

Materials: 3-ring binder and paper, ruler (inches and cm), protractor, compass (call before buying!)

Day and Time: Tuesdays New Life Community Church

Tuition: \$145 per semester

Teacher: Sandi French Call for more info (626) 447-1678

stlnlove@aol.com

Minimum class size: 5 students - **Maximum class size:** 15

CALL EARLY TO EXPRESS INTEREST!! (this class may overfill, and have a waiting list)

ALGEBRA II (Grades 11-12) THIS IS A TWO-DAY-PER-WEEK CLASS!

Text: Algebra 2 (2nd edition)

BJU Press softback ISBN# 1-57924-385-1

(same text as previous 4 yrs)

teacher's ISBN# 1-57924-386-X

****a placement exam must be completed prior to enrollment - call or e-mail ASAP****

This is a full year, high school level course - **STUDENT MUST HAVE COMPLETED AT LEAST ALGEBRA I PRIOR TO ENROLLMENT** - I do recommend, for most, that students take Alg 2 the year immediately following Alg 1, if they are intending to do BOTH classes - Alg 2 content relies **HEAVILY** on Alg 1 content!!.

This is a presentation of Algebra as an exercise in stewardship of creation, developing thinking skills and Christ-likeness . . . wow! Chapter 1 dives right into factoring polynomials, binomials, and trinomials, assuming a pretty strong mastery. Text moves through linear equations and inequalities, linear relations, quadratic equations and functions, graphing, linear programming, radicals and exponential functions and equations, imaginary and other complex numbers, rational expressions and equations, trigonometry, and matrix algebra. Students will learn concepts in class, then complete daily assignments at home. Daily homework assignments will be corrected by student or parent. Unit tests will be sent home, to be administered by a parent or instructor, and brought back to the next class session. **TEACHER'S EDITION REQUIRED** -- Parent(s) welcome and encouraged, but not required, to accompany students to class, in order to support study during the week. The subject matter here is complex - **TOO** complex for a once a week class. It will be **TWO (2) days per week**, though there may be a FEW Friday classes that we **DON'T** hold (due to holiday schedules, etc).

Materials: 3-ring binder and paper, ruler (inches and cm), protractor, compass (call before buying!), and a scientific calculator . (graphing calculator **NOT** necessary)

Day and Time: Tuesdays, **9:15am** at New Life Community Church **AND** Friday at CVCC, time TBA (**BOTH SESSIONS REQUIRED**)

Teacher: Sandi French Call for more info (626) 447-1678

stlnlove@aol.com

Minimum class size: 5 students - **Maximum class size:** 15

Tuition: \$210 per semester

CALL EARLY TO EXPRESS INTEREST!! (this class may overfill, and have a waiting list)

SAT PREP PLUS

This one-semester class is designed to prepare students for success in taking the college entrance SAT test which includes math, critical reading, and essay writing. Career and college preparation will be studied through assessments of spiritual gifts and personality types. We will research colleges, universities, and career programs as well as exploring financial aid opportunities. Although geared toward juniors and seniors, this course is open to any student who has successfully completed geometry. Contact Amy Miller for more information: amyamykatekate@yahoo.com.

Public Speaking I

In this one-semester course, we will learn to express our beliefs and ideas to a variety of audiences. Lessons will include audience analysis, peer critiques, humorous interpretations, persuasive speeches, impromptu speeches, interpretation of current events, and much more. Students will have the opportunity to share at our Friday School Chapels as a practical application of skills learned. The class will include quizzes and tests and there will be a grading rubric for presentations. I will be using the Bob Jones Materials in conjunctions with curricula from Thersa Moon. This class counts for 5 units of elective credits.

Depending on interest, a second semester, Public Speaking II will be offered, focusing on acting, storytelling, and interview skills as well as interpreting literature.

Materials: binder, paper, and Sound Speech Student text, available from bjupresshomeschool.com

Day/Time: Tuesday Mornings 9:15—10:30 am

Instructor: Amy Miller (626) 290-2704 or amyamykatekate@yahoo.com

Fees: \$140 plus \$25 to Center for Creative Learning

Jr. High English (recommended grades 7/8)

Junior High English covers grammar basics with an emphasis in editing, with the goal of applying those principles to the writing process. We will cover composition using Andrew Pudewa's *Teaching Writing: Structure and Style*. We will read novels by Grahame, Forbes, Latham, Stephenson, and others. Poetry and concepts of literary analysis will also be covered.

Materials: ringed notebook, novels, and grammar text *Grammar and Composition II* ABeka (This is the 8th grade book.)

Teacher: Carol Loumagne 909) 913-3225 or famlou1@msn.com

Tuition: \$140 per semester

Day: Tuesdays

Location: New Life Community Church

World Literature (recommended 9th/10th grade)

This course covers the study of composition with Andrew Pudewa's *Teaching Writing: Structure and Style*, grammar with editing, vocabulary, sentence diagramming, and an introduction to literary analysis through selected reading from classic world literature. Authors whose work we will study include Shakespeare, Verne, Bunyan, and others. Poetry and concepts of literary analysis will also be covered.

Materials: ringed notebook, novels, and A Beka's *Grammar and Composition IV*

Teacher: Carol Loumagne 909) 913-3225 or famlou1@msn.com

Tuition: \$140 per semester

Day: Tuesdays

Location: New Life Community Church

American Literature (recommended 11th grade)

American Literature covers grammar fundamentals with an emphasis in editing and diagramming with the goal of applying those principles to the writing process. Authors include A.W. Tozer, Nathaniel Hawthorne, Booker T. Washington, and Harper Lee. Poetry and concepts of literary analysis will also be covered.

Materials: ringed notebook, novels, and A Beka's Workbook for Grammar and Composition V.

Teacher: Carol Loumagne 909) 913-3225 or famlou1@msn.com

Tuition: \$140 per semester

Day: Tuesdays

Location: New Life Community Church

British Literature: (recommended 12th grade)

British Literature surveys important English authors including Shakespeare, Austen, and Lewis. Grammar, diagramming, editing and writing skills are covered. English Poets, and elements of poetry are also covered.

Teacher: Carol Loumagne 909) 913-3225 or famlou1@msn.com

Tuition: \$140 per semester

Day: Tuesdays

Location: New Life Community Church

Materials: ringed notebook, novels, and Lesha Myers' *Windows to the World* student edition, and *Easy Grammar Ultimate Series Grade 12*

Bible: (Fall and Spring semester): (Grades 9-12)

This will be a high school level Bible class that will include weekly Bible study homework to discuss in class as well as an in depth study of the spiritual disciplines. Materials TBA. Contact Robyn for more info.

Instructor: Robyn Spotten (626)331-9891, robynspotten@msn.com

Location: NLCC - Pomona Tuesday mornings Cost: \$140

HIGH SCHOOL SPANISH I (2 Semester Course)

Grammar and Vocabulary Building – We will cover proper usage of verbs in the Present Indicative Tense, basic sentence structure, vocabulary building and immediate future formats. I will provide opportunities to interact and use learned material. We will spend time in grammar geared toward communication.

Conversation, Pronunciation and Oral Presentations – We will spend much time in one to one conversation and oral presentations. Majority of class time is used practicing what they are learning.

Reading and Writing – Daily reading assignments to check pronunciation, and writing assignments to check sentence structure.

Culture - The students will begin an exciting and valuable experience. Learning a new language will open up a culture other than their own, different ways of living, thinking, and functioning **Requirements:** Need to have for first day of class.

· ¡Ya Verás! Gold – Level 1 Text (ISBN 0-8384-8554-5) PLEASE CONTACT TEACHER FIRST—CURRICULUM MIGHT CHANGE!!

· ¡Ya Verás! Gold – Level 1 Workbook (ISBN 0-8384-0896-6) – for English speaking students.

· Three ring binder

· An attitude of learning

Location: New Life Community Church

Instructor: Maria Franz rfranz159@aol.com

Cost: \$140

HIGH SCHOOL SPANISH II - (2 Semester Course)

We will review the major language functions, grammatical structure, and vocabulary covered in Level I.

Grammar and Vocabulary Building – We will review learned verbs and continue with Irregular, Stem changing, Reflexive, Imperfect, and Future Tense. I will provide opportunities to interact and use learned material.

Conversation and Pronunciation – We will spend much time in one to one conversation, oral presentations, and listening skills.

Reading, Writing and Listening - Daily reading assignments to check pronunciation, and writing assignments to check sentence structure.

Culture - Students will be exposed to Latin literature, therefore learning other cultures.

Requirements: Need to have for first day of class.

· ¡Ya Verás! Gold - Level 2 Text (ISBN 0-8384-0881-8) PLEASE CONTACT TEACHER FIRST—CURRICULUM MIGHT CHANGE!!

· ¡Ya Verás! Gold - Level 2 Workbook (ISBN 0-8384-0905-9) – for English speaking students.

· Three Ring Binder

· Finished level 1

Instructor: Maria Franz rfranz159@aol.com

SPANISH III— (2 Semester Course) Will offer on request -- please contact if interested.

Interested in ANY of these Spanish classes? Give Maria Franz a call at (909) 596-8429, e-mail rfranz159@aol.com

World Geography: (Fall semester) Grades 9-12

This is a one semester class that includes the study of facts, names, and data about the nations and lands of the earth. The students will gain a broader perspective and appreciation for the richness and variety of our planet. This class will include map work, current events papers, and a high school level "lap book" that will incorporate all the major facts from the semester of study. The students will also do a "Mapping the World by Heart" project.

Text: Abeka Map Skills workbook \$5, Blank Map Set \$15

Instructor: Robyn Spotten (626)331-9891 robynspotten@msn.com

Location: NLCC - Pomona Tuesday mornings

Cost: \$140

Health: (Spring semester) Grades 9-12

This one semester course deals with the five main components of health: physical, spiritual, mental, emotional, and social health. This class includes class discussions and lectures as well as a high school level "lap book" project. Through this course, the student will learn how to develop and maintain a healthy lifestyle.

Text: Total Health: Choices For A Winning Lifestyle (2nd Edition) by Susan Boe

Instructor: Robyn Spotten (626)331-9891 robynspotten@msn.com

Location: NLCC - Pomona Tuesday mornings

Cost: \$140

PHYSICAL SCIENCE W/LAB (Recommended 9th grade, 8th grade may take for high school credit)

In this two-semester course, we will explore volcanoes, weather patterns, geology, beginning chemistry, and beginning physics. We will include biographies of famous scientists in our study. This class fulfills one year of the high school science with lab credit, and we will be doing the labs in class. Throughout the year, students will complete mini-presentations that will be given during our class time as well.

Materials: ABeka's Science of the Physical Creation, 2nd edition, Student Text, Student Test Book, Student Quiz Book, and Student Lab Manual, available at ABeka.com

Day/Time: Tuesday 11:45—1 pm

Instructor: Amy Miller (626) 290-2704 or amyamykatekate@yahoo.com Fees: \$140 plus \$25 to Center for Creative Learning

Beginning Guitar Class (Grades 4-12) Two Semesters:

This class includes learning basic music theory, reading notes and rhythms, as well as basic chords. An acoustic guitar (not electric) is required with either nylon or steel strings. Nylon strings tend to be easier on the beginning fingers.

Teacher: Peggy Petersen (626) 856-8700.

Cost: \$140 (plus book fee)

11:45 am—1pm

California History (Grades 4—6):

This year-long course will give the student an overview of the history, geography and distinct features of our unique state. The study will begin with the exploration of the New World and the Spanish Conquest of America, followed by the discovery, colonization and settlement of California. The study will continue with the growth of California to independence and statehood, the Gold Rush, and the Transcontinental Railroad. Activities will include map work, brief research, writing assignments, artwork and a pictorial timeline. Students will also compile a Notebook project on the different features and aspects of California.

Please contact Linda Gabriel if interested: 909-931-3991; email: 2manybooks@verizon.net.

Tuition: \$100 + \$5 material fee

SCIENCE LAP BOOK CLASSES for GRADES 2—7.

This class will be offered at the Pomona location ONLY this year. We will study topics such as Government, National Parks, plants, astronomy and rainforests. Students will make a great folder project to show off all they learn in class.

This is a fun, informative, creative way to learn! Topics TBA.

Fee: \$50 per 5 week session. Grades 4-7

Tuesdays 10:30—11:45 am at New Life Community Church in Pomona

Instructor: Robyn Spotten Contact: robynspotten@msn.com or 626-331-9891 Contact Robyn for session dates~

Vineyard Church
100 E. Foothill, San Dimas, CA

Chemistry:

Course description: This course is an introduction to general chemistry. Topics covered include significant figures, units, the mole concept, stoichiometry, thermochemistry, thermodynamics, acids and bases, redox reactions, solutions, atomic structures, and the gas laws. This course includes laboratory work both in class and as homework.

Pre-requisite: Algebra 1

Recommended for 10th grade or above.

Curriculum: Exploring Creation with Chemistry, 2nd Edition (published by Apologia)

Location: Foothill Vineyard Church, San Dimas

Teacher: Paul Hubbard, B.S. (626) 815-1822

Maximum number of students: 16 (*class did fill up fast!*)

Cost: \$170 plus textbook plus \$25 enrollment fee payable to CCL

Day & Time: Thursdays, 6:30—8 pm

Physics:

Course description: This course is a detailed introduction to general physics. Topics include vector analysis, measurement, one-dimensional and two-dimensional motion, Newton's laws and their application, gravity, work and energy, momentum, waves, electrical circuits, and magnetism. Labs for this course will all be done as homework.

Pre-requisite: Algebra 2 and some introduction to trigonometric functions.

Recommended for 11th grade or above

Curriculum: Exploring Creation with Physics, 2nd Edition (published by Apologia)

Location: Foothill Vineyard Church, San Dimas

Teacher: Paul Hubbard, B.S. (626) 815-1822

Maximum number of students: 16

Cost: \$150 plus textbook plus \$25 enrollment fee payable to CCL

Day & Time: Thursdays, 8-9 pm

Other Locations

World History - This fall we will be studying world history from a Christian perspective through literature, discussions and projects. Possible world literature component as well. 9:00 a.m. Monday mornings at 14528 Crest Court in Chino Hills. If interested, please contact Bev Gibbon 909-597-8819 or email gibbonfam@verizon.net.

American History

Course description- In this year-long class your high school students will:

- Understand history from the perspective of faith in God and for His Word. Each unit highlights spiritual issues related to events in American history.
- Learn about events and issues from European exploration to the war on terror with extensive coverage of the twentieth century.
- Enjoy studying history through the words of people who made it by reading documents and speeches.
- Please ask how the curriculum supports additional credits in Bible and English.

Curriculum: Exploring America volumes 1 and 2, and American Voices. Author: Ray Notgrass

Location: Home of Sandra Antonelli, Contact: (909) 465-1894, santonelli@roadrunner.com

Teacher: Michele Rega, Credentialed Teacher, M.E.

Cost: \$160 semester, plus textbooks

Thursdays. 1.5 hours

Torrey Academy offers a unique opportunity for us in the form of three classes that they offer in San Dimas at the Vineyard Church on Foothill Blvd. They will be taking sign-ups by phone and on line at www.biola.edu/ta. If you have a 10th, 11th, or 12th grader who is interested in a challenging, classical education approach to literature, philosophy, and Christian worldview please talk to Carol Loumagne or check out the website for more information. The three classes are The Inklings, Foundation of American Thought, and Faith of Our Fathers.

Music Perspectives Please call Carol Loumagne if you are interested in taking this class. There currently are not enough students signed up to take the course but we would like to offer it if there is sufficient interest. 909-913-3225

(Recommended 9-12th grades) This course (10 credits) meets the visual and performing arts requirement for graduation. It emphasizes music reading and listening, elements and forms, instruments of the orchestra, historical periods of music, and select biographies of famous composers.

Books required for the course include *Appreciating Music* (BJU Press), and *Spiritual Lives of the Great Composers* (BF Books).

Materials: soprano recorder, ringed notebook

Cost \$140 per semester plus materials

Carol Loumagne has held a California Teaching Credential since 1978. She taught all four of her children at home from kindergarten through high school. Two of them have graduated from college and are currently teaching. The other two are attending college at present. She has been teaching English classes for Western Christian's PSP since 2003.
